

COOKIES POLICY

This cookie policy provides you with information about the cookies we use on this website and the reasons we use them. This policy was last updated on December 14th, 2021.

What is a cookie?

Our webshop uses cookies. Cookies are small files in which we can save information, so that you don't need to fill them out every time. But we can also see that you visit our website again. If you visit our webshop for the first time, we will show you a notification with an explanation about cookies. Here we will also ask for your consent in using cookies. You can use your browser to prevent the use of cookies, but some elements of our webshop won't work properly anymore. With other companies who place cookies, we made agreements about the usage of cookies. But we don't have complete control on how they use these cookies. It is therefore wise to read their privacy policies as well. (Note that these can change regularly).

How to delete and block cookies

You may block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our site. Unless you have adjusted your browser setting so that it will refuse cookies, our system will issue cookies as soon you visit our site. Turning off or deleting cookies will not prevent device identification and related data collection from occurring.

Turning off the browser's cookies will prevent web beacons and cookies from measuring the relevance and effectiveness of our site/emails and advertising as well as the tailored advertising brought to you by our partners. You may also not be able to use all the interactive features of our site/emails if cookies are disabled. If you no longer wish to receive tailored advertisements from us, third party advertising networks, or if you would like more information about this practice, please visit: www.aboutads.info

Can I withdraw my consent?

Once you have consented to our use of cookies, we shall store a cookie on your Device to remember this for next time. This will expire periodically. If you wish to withdraw your consent at any time, you will need to delete your cookies using your internet browser settings. For further information about deleting or blocking cookies, please visit: www.aboutcookies.org

What happens if I block or refuse to accept cookies?

Accepting cookies is a condition of using this website, so if you refuse or block cookies, we can't guarantee your ability to use this site or how it will perform during your visit.

What cookies do we use and why?

The cookies used on our site are categorised as follows:

Essential cookies

Essential cookies enable basic functions and are necessary for the proper function of the website.
